

PHANTOM E SERIES

PROFESSIONAL DIRECT DRIVE ELECTRIC PRESSURE WASHERS

FEATURES

- » Commercial grade electric motors
- » Industrial Comet triplex pump with external unloader and bypass
- » Ultra lightweight corrosion resistant frame with 1 1/4" tubing operator handle
- » Adjustable pressure
- » 10" tubed pneumatic tires
- » Thermal relief protection
- » 50 mesh stainless steel inlet filter
- » 3/4" cold rolled steel axle
- » Dual anti-vibration rubber isolators

Units include 50' steel braided non-marking gray hose, 36" spray wand with molded grip and gun, 5 quick connect spray nozzles, and a high draw chemical injector. Hose reel kits and other options are available. See your PSI dealer for details.

P-E2015BCL

PSI pressure washers feature Comet pumps for their unmatched quality and life.

- PUMP FEATURES:**
- » Forged brass manifold with lifetime warranty
 - » Forged bronze connecting rods
 - » High efficiency, stainless steel check valves
 - » Abrasion proof, heat resistant, solid ceramic plungers
 - » High quality oversized bearings
 - » Increased fin depth for maximum heat dissipation
